ATTENDEE INFORMATION

We're ready ... Are You?

SAFETY ~ SUSTAINABILITY ~ INNOVATION

Is our focus and hopefully, yours too...it's time!

It's time to register to attend the **63rd Annual PAPA Conference** January 16, 17 and 18, 2023 at The Hotel Hershey! We have a spectacular line up of presentations and presenters! From learning what's going on with utilizing waste recycled plastic in asphalt mix, the status of Balanced Mix Design, preparing for the "Buy Clean Initiative", to details from PennDOT and the PA Turnpike on the 2023 Construction Program, our 2023 Conference will inform, educate, and elucidate you on all things asphalt pavements.

New to this year's conference and we are very excited about, is the awarding of the first **PAPA Gary L. Hoffman Scholarship** to a deserving college student. We will also again recognize the highest quality paving projects for 2022 in each PennDOT District as well as the PA Turnpike.

And back by popular demand - The 3rd Annual Black Diamond Cornhole Throwdown, Exhibitor BINGO, Ring Toss, and 50/50 drawing.

So don't delay! Register today! 2023 will be a jubilee of progress for our industry and it starts at our conference in Hershey, PA.

PAVING AWARDS

The Pennsylvania Asphalt Pavement Quality Awards Program continues as a cooperative effort between the Pennsylvania Asphalt Pavement Association (PAPA), the Pennsylvania Department of Transportation, and the Pennsylvania Turnpike Commission. The awards program recognizes excellence in asphalt pavement construction.

Projects constructed in 2022 and selected for the paving awards will be recognized at our 63rd PAPA Annual Conference on January 17, 2023.

The following rating criteria is used to determine one award recipient per District, and one for the PA Turnpike.

- Ride (Smoothness)
- Mix Quality (AC, No. 8, No. 200, PWT Bonus, etc.)
- Joint Construction (Longitudinal, Transverse, Bridge)
- Mat Compaction
- Innovative Features (SMA, GTR, Safety Edge, Crack and Seat, QC efforts, Fibers, etc.)
- Contractor Responsiveness

A suggested minimum size project is 2,500 tons of mainline placement. The materials producer and/or paving contractor on the project does not have to be a PAPA member.

Congratulations to all 2022 Award Winners!
